It all started in 2018 with eggs, avo and pancakes for guests at The Light House hostel. A few moments later.... we grew to the Bikini Bottom Express you see today. If you know Spongebob, you know the inspiration. If you don't, then we are an American diner and Smash Burger specialist with a weird, funny name.

Our team then and now are mostly young and don't come from restaurant backgrounds but we all love what we're doing, we all have different dreams that are being fulfilled through our journey together with Bikini Bottom. Our kitchen has a lot of influence by Canadian Vietnamese Alex Liem, also co-founder, hence the poutine you'll see shortly. He left us early in 2022 for a better place and we would love to share with you all about his influence and legacy that we carry on.

At this moment our team run 6 lil brands. We've welcomed thousands of amazing guests from all over the world and served 1million+ empty plates. Nothing happens without your support, we are deeply thankful and really appreciate each and every person who steps through our doors. Love you long time!

Bikini Bottom is us, young and free, full of flaws but there's beauty... We hope to be here for a long time and hopefully your reading this message many years down the line.

All we want is for you to leave us full and happy :)

**Love,
Bikini Bottom Express Team**

P.S The place your sitting in right now is the OG Bikini Bottom near the Light house. S2 Studios used our story as inspiration to create the Ocean where Bikini Bottom is supposed to be. Here and now, we have a boat, we have Light House as guidance, we have the OG burger formula and the spirit of hardworking Spongebob and of course the best bit, you. ❤️
